EXPLORE YBOR CITY HISTORIC LATIN QUARTER

Known as Tampa's Latin Quarter for over a century, Ybor City offers an exotic blend of aromas, flavors, sights and sounds. From the scent of brewing Cuban coffee early in the morning to the rhythms of Latin music late into the night, Ybor is a feast for the senses.

Browse eclectic shops and art galleries or visit a museum. See a hand-rolled cigar being made or just relax and people watch with a cup of Ybor's famous café con leche.

Listen to the music of the night – jazz, blues, salsa, reggae, rock and even hip-hop emanate from a selection of pubs, patio bars and nightclubs. Ybor is alive with a variety of entertainment that makes it one of Florida's top-ranked nightspots.

Founded by Vicente Martinez Ybor (e-bor) as a cigar-manufacturing center, Ybor City is a National Historic Landmark District. Red brick buildings, wrought iron balconies, narrow brick streets and roaming chickens give it an old-world charm that is a refreshing change of pace from the beach, theme parks and mall.

Choose from a variety of cuisine – Spanish, Cuban, Italian, Greek, Indian and Asian – just by strolling down famed La Setima, Ybor City's 7th Avenue. Share authentic tapas and a pitcher of genuine Spanish sangria in a café atmosphere reminiscent of a Mediterranean village.
